NEW DOOR & ACCESSORY COLLECTION 2023

Offer your customers unique door ranges which deliver on design versatility and stylish sophistication. Uform is raising the bar in terms of product innovation with the introduction of two stunning new timber ranges, allowing homeowners to achieve an inframe look without the premium price tag. This latest introduction comes hot on the heels of our popular new Winslow range, offering additional inframe effect door ranges for even more choice.

So, *'Get In Line'* and prepare to be inspired!

NEW DOOR RANGE

ARRINGTON

As the popularity of our best-selling Aldana shaker door continues to grow, we are now pleased to offer a routed shaker variation through our new Arrington range, a simplistic, understated door style which offers an authentic inframe look.

ARRINGTON KEY FEATURES

- 5 piece solid frame with flat veneer centre panel
- Narrow 68mm door frame which includes a 28mm routed frame and 5mm routerline
- 20mm door thickness
- Finish: Sanded Ash or Painted
- Paint-to-Order and Colour Match Service
- Made-to-Order door sizes & accessories
- Range of feature door options and accessories to suit classic and modern designs
- Suitability for complementary furniture solutions 'Beyond the Kitchen'

Versatility for stunning full kitchen designs or smaller feature accent areas.

NEW DOOR RANGE

JACOBSEN

For a more classic appeal, we bring you the new Jacobsen range, a sophisticated inframe effect twist on our traditional Jefferson range featuring a traditional raised centre panel.

JACOBSEN KEY FEATURES

- 5 piece solid frame with raised veneer centre panel
- 90mm door frame which includes a 28mm routed frame & 5mm routerline
- 20mm door thickness
- Finish: Sanded Ash or Painted
- Paint-to-Order and Colour Match Service
- Made-to-Order door sizes & accessories
- Extensive range of feature door options and classic accessories
- Offers a sophisticated inframe look without the fitting complication of a true inframe
